## Book with the Chesapeake Dental Conference!

CDC has used group purchasing power to negotiate with some of OC's best hotels. Please, support YOUR Association and stay in one of our official CDC Hotels listed below so we can continue to offer the lowest registration fees possible to you.

Did you know that when you stay at a hotel that is not an official CDC conference hotel, CDC is put at financial risk? CDC contracts a certain number of rooms to be sure that we can accommodate everyone for the conference and offer you lower rates. CDC receives significant discounts on meeting costs, which helps us keep registration fees to a minimum. In addition, CDC can be held financially responsible for not fulfilling its room commitment to these hotels. This can amount to tens of thousands of dollars! Please Book At An Official CDC Hotel Above!
